

DATALOGIC (STAR: DAL.MI): PROFITABILITY RECOVERY TREND CONFIRMED IN THE THIRD QUARTER OF 2009

EBITDA of € 7.1 million – 9.3% on sales – in the third quarter (+64% vs. € 4.3 million in the second quarter of 2009) and EBITANR¹ of € 4 million (€ 629 thousand in the second quarter 2009).

Cash flow positive for over € 7 million in the third quarter.

Bologna 13th November 2009 – The Board of Directors of Datalogic S.p.A. - a company listed in the Star segment of the Milan Stock Exchange and a leader in the market for barcode readers, data collection mobile computers, RFID (radio frequency identification) systems and photoelectric devices – today approved the quarterly interim report as of 30th September 2009.

Mauro Sacchetto, Chief Executive Officer of Datalogic SpA, commented: “*Despite substantial stability of revenues in the previous quarters of 2009, we implemented a balanced and effective costs reduction policy that allowed us to achieve positive EBITDA already in 2Q2009 and to considerably improve in 3Q2009. We are confident that our improvement curve will also have a positive impact on FY results*”.

Consolidated sales revenues in the **first nine months** of the year totally amounted to € 225.1 million (mn), down by 21% vs. € 284.3 mn in the same period in the previous year.

The group's consolidation structure has changed with respect to 2008, as 2009 revenues include the sales of Datasensor SpA, acquired and consolidated as from October 2008.

EBITDA (including non-recurring costs) amounted to **€ 10.9 mn** (€ 37.4 mn at 30th September 2008) and **EBITANR** positive by **€ 582 thousand** (€ 28.8 mn for the same period in previous year).

The consolidated business result for the period showed a net loss of € 14 mn (net profit of € 16.6 mn at 30th September 2008).

In the third quarter of the year, in consideration of revenues in line with the previous quarters, the Group achieved a very significant improvement in profitability: **EBITDA of € 7.1 mn** vs. € 4.3 mn in the second quarter. This result has been reached thanks to the reduction costs plan launched during 2009 and for which € 7.9 mn have been accrued.

The separate business Division sales (including intersegment sales) and segment results (before non-recurring costs/revenues and depreciation and amortization due to acquisitions) at 30th September 2009, are listed below:

Divisions	Sales	Segment results
Datalogic Mobile	46.2	(0.6)
